

C2 Chocolate Cake Cookie Bars
Ages 7-12

A and B sit in detention after school. A pulls four small packages from a book-bag.

A (whispering) Psst. Hey, you want one?

B (annoyed, whispering) Shh. You're gonna' get us in trouble again.

A But these are worth it.

B You already got me a week of detention. I don't want 'em.

A You don't want Chocolate Cake Cookie Bars?

B (shouting) Chocolate Cake Cookie Bars!?

A and B look to the front of the room. Both frown.

B (whispering) Sorry.

A Guess that's another week.

B Can I still have a Chocolate Cake Cookie Bar?

A Sure.

A hands B two cookie bars.

B Two?

A And I'll bring more tomorrow.

B We should get detention more often.
