M2 Magical Musical Straws Ages 7-12

A and B sit at the kitchen table staring at glasses full of ugly green liquid.

A Apricot smoothies?

B Do we have to drink this?

A looks around and drops colorful straws into their drinks.

B A straw?

A Not just any straw.

A motions for B to drink. He does, and music starts playing.

B What's that?

A It's a Musical Straw. It changes tone the faster you drink.

A demonstrates, as a fun musical tone plays from the straw.

B That's so cool.

A Let's try a duet.

A and B happily drink up their milk as a fun tune plays..
