V1 V62 Voice Activation

(2 friends sit in front of a computer.)

A It's fast.

B How fast?

A Faster than you can think! Instead of typing your search, you say - search! vacations.

B Wow!

A Search! girls .

B Wow! wow!
Search! sexy girls!
This rocks!

A (laughs) What did I tell you? The V62 Voice Activated system can't be beat.
