V2 Voice Enhancer Singing Buddy  
Ages 13-18

A and B stand before a microphone. A steps up to sing.

A (singing horribly) Cuz it's a thriller, thriller night.

B covers ears, and pulls A away from the microphone.

B You bet it is. You sound like something's dying in your throat.

B puts a small contraption over the microphone.

B Try it now. Just pick one of four options.

A Rapper. Diva. Rocker. Country?

A removes the microphone from the stand, presses Rapper and jumps around rapping.

A I said hip hop the hippie the hippie to the hip hip hop, you don't stop.

B Well, the voice is there at least. Maybe you should try country.

A It's karaoke without the nails-on-a-chalkboard singing.

B With the Voice Enhancer Singing Buddy, you might be the next Britney or Justin.

A Alright, here goes some country!

Music plays, A doesn't move.

B It helps if you know the words, though!
