Boy (13-15) My Crazy Sister

Why do older sisters have to be such pains? I'm glad I have only one, 'cause I couldn't handle more than that. I can barely handle the one I've got! She's the pits, absolutely positively the pits!

My name is _____ and I've been tormented by my older sister, Kelly, all of my life! I totally should've been born first. Then I could boss her around. Then I could tell her to shut up, and she'd listen! Kelly is such a lame-o, I'm going crazy! Everyday it's something different. She's never happy. She's always dressing in all black. She's a freak. A total loon!

I never start it. It's always her. She tries to ruin my life, every chance she gets. Any time I do something, she runs and tells my mom. I have never once ratted her out. She's a pig, too! I've never seen anything like it. In the morning, not only does she take over an hour to get ready, but when she's done the bathroom is covered in her junk. Make-up, hairspray, you name it! What a slob!

She clogs the shower drain with her hair all the time too. She never does the dishes after dinner, either. I always get stuck doin' it, and she goes off with some creepy guy and her weirdo friends. Sometimes, she starts crying for no reason. At first, when she started this, I felt bad for her. I asked her what's wrong, but she screamed at me to stay out of her business. Later, I heard her telling my mom that she hates her toes. Who cares about toes, anyhow? See what I mean? She's a complete mess!

Last night was the worst yet, though. I thought I'd seen it all, but Kelly was in rare form. The phone rings, I answer. It's some loser boy looking for her. So I tell him she's gone, 'cause she told me to leave her alone no matter what. Then she comes asking who called, and I tell her I didn't know, but it was for her. Well, she threw anything and everything she could get her hands on at me! She hit me in the head with her hair dryer. I got the lump to prove it! See? I'm never gonna talk to her again.

Kelly? Can I get a ride to the comic shop?
