Boy (16-18) Getting my license

Today's the day! I'm going to get my driver's license! I've waited my whole life for this day, and now it's finally here. After I pass my test, and I will pass it, I'm gonna go check out some cars. I've been saving up for a while, and my folks are gonna match me dollar for dollar. You know, I put in a grand and they put in a grand. I haven't told them yet how much I've saved. They think we're getting a used car. Little do they know I've saved ten thousand dollars! It's gonna be new!

I'm hoping to get something cool. Maybe a Mustang or better yet, a convertible. My Dad said the only thing he won't let me get is a Jeep. I totally wanted a Jeep, but that's okay, 'cause no matter what car I get, I'll be cruising all the time!

Just imagine, never being stuck at home. I could just get in the car...and go anywhere. I've already got plans for a road trip with my friends for the weekend. It's gonna be sweet! Okay, I gotta get to the DMV. I'll swing by with my new wheels to show 'em off to ya. Next time you see me, I'll be a driving maniac!
