Boy (16-18) Sneaking out

Thereís no way Iím missing the party of the year! Iíll be there no matter what. I got busted by the old man last weekend sneaking out. This time Iíll be safer, for sure!

Last time I crept down the stairs, went right out the front door. I totally got nailed when I tried to lock the door up. The dang lock was jammed, so Iím like jiggling my keys and then the light in the hall comes on, and I was like ìoh great!î This tim e will be different though.

Ya see, Cherylís coming over to pick me up. I told her to park at the end of the block with her lights off. When the folks are snoring away, Iíll grab onto this rope here, out the window and lower myself down. Itíll be a breeze.

Just to be safe too, Iíll stuff my bed with pillows and pull up the cover. Thatíll hopefully do the trick, just in case they peek in on me. The plan is fool proof, and thatís a good thing, ěcause I sure felt like a fool last weekend!
