## Boy (6-8) Vampire Nightmares

I saw my first scary movie last night! Mom said I shouldn't watch it, but Dad let me stay up to see the whole thing. I was so scared, but I didn't tell Dad! He munched on popcorn, and I hid under the blanket. The movie was about Dracula, and I thought it would be boring, because it had no color, but it was cool!

Dad made fun of me for covering my eyes, but I couldn't help it. Dracula had big teeth and he was so ugly! I had the worst nightmares all night after that! I dreamt a vampire was chasing me, and he was all gross with blood on his face. I screamed so loud, I woke my Mom up.

She yelled at Dad! Now I'm not allowed to watch another horror movie until I can drive. But Dad said we're going to watch Frankenstein when Mom goes to Grandma's. Don't tell Mom, okay?
