## Boy (9-12) Allowance

I'm up to ninety-eight bucks! I've been saving my allowance from mowing the lawn for six weeks, and now I'm trying to decide what to buy. I'm thinking about the new shooter game boy game. I don't know though, because I really want to get some new football cards, and I could buy a whole bunch with that much money!

I promised my baby sister that I'd get her stickers, but Mom said that would be cheap. She even said she'd buy them and I could give them to her. Then I asked my Mom what I could get for her. She said I was so sweet. She gave me ten more dollars, bringing the grand total up to ninety-eight!

Two more dollars and I'll have a hundred! You know, maybe I won't buy anything. I'll just save it. Yeah, save it because one day I want to buy a plane. How much do you think I'll need to buy a plane?
