Boy (9-12) Nag, Nag, Nag

This is Candid Kids, and I'm _____. This is the place where us kids can say it like it is. No parents, no teachers, no rules! The only place where a kid can be a kid and nobody can tell us to quiet down, or clean our rooms. In fact, that's what I wanna talk about with you.

Nagging parents. You got 'em, we all got 'em. Nag, nag, nag. My mom never quits nagging me. You know what I'm talkin' about, right? Every day after school, she makes me a snack. Don't fall for it, guys! It's a trap. Right after I dunk the last cookie in milk 'til it gets mushy like I like it, she starts nagging me.

Did you clean your room? Did you put away your clean socks? Do you have a lotta homework? All we wanna do after school is watch some TV, maybe play Playstation. Nope, Mom won't let us chill. Mom wants us to get to work, as if going to school isn't bad enough.

Then there's my teacher. She's okay, but she never lets me get away with anything. She's always picking on me. Nag, nag, nag! Did you do your homework? Did you read the chapter? Telling me to use my indoor voice. Look! If I'm inside, and I'm talking, isn't that my indoor voice?

And I gotta tell you, I think they want us to act like little girls. Sit all quiet, don't move an inch. So what if I'm loud! So what if I'm a slob! I'm a kid, and that's what kids do! You, yeah you! Out there, you say it with me! I'm a kid, and that's what kids do! Right on! Okay, I feel better. I just wish they'd let us have fun.

Thanks for hanging out with me. I hope you didn't get nagged while you were watching. Be sure you're here tomorrow for more with Candid Kids.
