Boy (9-12) Sick Skateboarder

I'm gonna be just like Tony Hawk, world famous skateboarder! I'm getting pretty good, ya know? I can ollie, way up to here! I've been practicing my rail slides too! A bunch of us go to this new skate park, and we try new tricks.

Dave can do a five-sixty. He's really awesome, but we saw a guy at the park who was sick on his board! He was doing flips and junk. I think he was like sponsored or something. Dave got his autograph, in case he gets famous. Right after he signed Dave's shirt, the guy slide across the pipe, went into a hand plant and dropped off with a kick flip. I was so sweet! I told Mom I'm not going to college cause I'm going to be a professional skateboarder. I think if you do what you love that's what life is all about.
