Girl (6-8) No kisses for me

Yuck! Yuck! Ewww! Benny tried to kiss me today. He is so gross! Yep, I ran so fast to get away. He was too fast, though. He caught me by the side of the school. Benny definitely has coodies, for sure!

Well, I was playing jump rope with Tanya and Rosey, when Benny came up acting goofy. He was jumping like a monkey and scratching his head, going 'Ohhh, ohh, uhh,' like an ape. Then he wanted to jump rope, but we wouldn't let me. So he chased me all over, trying to kiss my cheek with his lips! I kicked him like this, right in the leg. Oh yeah, I can take care of myself. No boy will ever kiss me! No way!
