B1 - BAYER ASPIRIN

When it comes to headaches, you don't want to fool around.... you want relief, and fast! But you also want safety that's where Bayer Aspirin comes in.

The Bayer Cross on every tablet continues to indicate that finest research - coupled with medically controlled manufacturing, offers relaxed easing of the day-to-day headaches and minor pains of arthritis, rheumatism, and muscular discomfort. Ask your doctor...doctors recommend Bayer Aspirin two to one.

Be safe...be sure with Bayer Aspirin. Bayer brings anxiety free relief. And remember, Bayer Aspirin is all you need. If Bayer doesn't do the job, see your doctor.
