E1 - E - ENERGY BREAKFAST BARS

When I was late for work, I skipped breakfast! An hour later, I felt like I hadn't eaten anything. Maybe that's because I hadn't eaten anything. Now I eat! New E Energy fast break instant breakfast bars...Two fast E Energy break bars are as nourishing as bacon and eggs...without the calories. I'll drink to that! E Energy.... A good solid breakfast for us (Guy/ Girls) on the run!
