P1 - PEPSI

Surfer: Sir, I've come to ask for your daughter Julie's hand in marriage.

Rich Man: (stares)

Surfer: We wanna surf, follow the endless summer. Search for the perfect wave...Maybe even get a band together. My pop likes to party. And my mom's a twirler. You know, big deadhead...so as far as cash goes. Well, like, y'know, we don't have any. but Julie says you're, like, loaded, so we thought we'd, y'know, move in here and glom off of you for awhile. So what do you think, sir?

Rich Man: That's cool!
