## U1 - U2 SEAT BELTS

More than just a good idea - it's the law! If you're caught not wearing your seat belt, you could be fined up to \$1,000 or lose your license for up to six months. And government statistics prove that over 80% of all traffic fatalities could have been prevented with the use of a belt. So, if you're not using your U2 seat belt, what's holding you back? U2 belts keep you safe, secure, and within the law.
