

Kidz • New Faces • Young Adults

V1 - V8

Got that daily vegetable thing down yet?

Take a shortcut on the road to better eating.

Each 12ounce bottle of V8 has more than a full serving of vegetables

And good things like potassium and Vitamins A& C.

Now if they could just bottle that daily exercise thing Iíd be great!!!

6310 San Vicente Blvd., Suite 340, Los Angeles CA. 90048
