Y1 - Yes to Stay in School PSA

We were just kids with our whole lives ahead of us. Times were tough and the neighborhood was tougher. Even then we knew about drugs, gangs, crime. We could've gone either way. But then someone took the time to care about us. A role model, someone we could look up to, thanks to the iYes Program. I never made it to the NBA, but I did get a BA degree from Trinity college. George Gervin's lessons still stick with me today. Yes, to be a winner, Yes you've got to stay in school. Thanks to Yes...I've said Yes to Life!
